FOUNDED BY EDWARD DRUMMOND LIBBEY

CATALOGUE

PAINTINGS IN OIL AND WATERCOLOR, SCULPTURE, PASTELS, DRAWINGS, PRINTS AND POTTERY BY TOLEDO ARTISTS IN THE FIFTEENTH ANNUAL EXHIBITION OF THE TOLEDO FEDERATION OF ART SOCIETIES.

APRIL 1 TO APRIL 30, 1933

FOREWORD

It is hoped and expected that this, the fifteenth annual exhibition of local artists, which is sponsored by The Toledo Federation of Art Societies, will accomplish the underlying purpose for which it and its predecessors have been organized; namely, that visitors may see and appraise the development and progress made by Toledo artists, also, that the public will derive from the work viewed, understanding, enjoyment and inspiration. It is indeed gratifying to the sponsors of this exhibition to note the marked advancement in the work of Toledo artists.

For the discriminating and impartial selection of the pictures hung, we tender our thanks to Mr. Clyde Burroughs of the Detroit Institute of Arts. To all artists whose work the Federation has the honor of showing, sincere thanks is extended for their contributions.

In behalf of all Toledo artists who have the singular privilege of annually exhibiting their work, in one of the outstanding Art Museums in the United States, we bespeak grateful thanks to the present staff of The Toledo Museum of Art for their ever helpful cooperation.

The Toledo Federation of Art Societies,
I. W. Gotshall, President.
